LEVELDALE PRINCEPS

1959 International Grand Champion Bull

Bred by Sangamon District member, Leveldale Farms, and purchased in their 1959 sale for \$6,700 by Dr. A. H. Weiland for use in his Elmcrest herd. Four females in their consignment are bred to him.

I am proud to be able to work closely with the members of the Sangamon District Association as their sale manager. Not only do they put up an outstanding offering every year . . . not only are they a grand group of men . . . but they are breed enthusiasts alive with ideas.

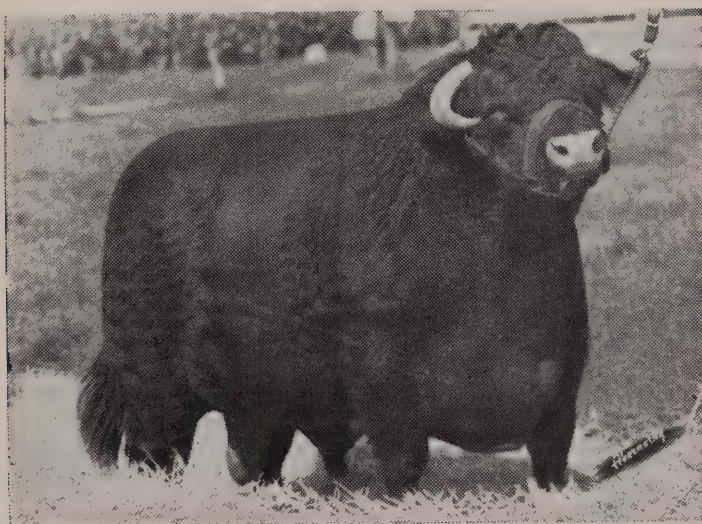

These people have learned how to work together. Petty bickering finds no haven in their meetings. Whether it be getting a load of bulls together for an important project like Denver or the Ark-La-Tex sale, getting show herds out at the local fairs, backing worthwhile State and National Association projects, working with youngsters, working at publicity, you will find this group up and on the move. Their sale offering reflects this kind of leadership.

DON LONGLEY, Sale Manager.

There is no richer soil in the world . . . no area with a greater concentration of superior Shorthorns.

Seed stock from the Sangamon District has been distributed to all corners of the nation . . . always the word comes back—"These are the good-doing kind."

LOUADA FEARLESS

After a great show career he went into service at The Hickories, Pardeeville, Wisconsin, where he made an excellent record as a sire. Two years ago he was purchased by Ralph W. Bivin and Glenn Mangold. He is typical of the great sires whose get and service is represented in this sale offering.

We Believe in Supporting Good Breed Projects

. . . and we believe in working as a group to do it. Last year a load of bulls from the Sangamon District was sent to the Ark-La-Tex sale. A Man-gold bred bull was the second top of the 80 sold. This year the Sangamon District will be present with bulls at both the Ark-La-Tex sale, Beaumont, Texas, January 21 and at the National Western in Denver.
